

GBI FACILITATOR

BASIC AND ADVANCED COURSES

OBJECTIVE

The Basic Course provides an introduction to the GBI including application procedures for GBI certification. The Advanced Course is an extension of the Basic Course and completes the full GBI Facilitator Course.

Both courses are open to all, but completion of both Basic and Advanced Courses is a pre-requisite for participants to qualify for the GBI Facilitator Examination. A participant must attend not less than nine modules of the full GBI Facilitator Course to complete the course.

PRE-REQUISITES TO BE GBI FACILITATORS

Participants who intend to be GBI Facilitators must fulfill the following pre-requisites:

1. A registered professional member of Board of Architects, Board of Engineers or Board of Quantity Surveyors;
OR
A recognised degree in architecture, engineering, quantity surveying or other building related disciplines as approved by the GBI Accreditation Panel; and a minimum of 3 years relevant working experience acceptable to the GBI Accreditation Panel;
OR
Other Building practitioners with a minimum of 5 years relevant working experience acceptable to the GBI Accreditation Panel;
AND
2. Successfully completed the GBI Facilitator Course (ie. Both Basic and Advanced Courses).

A participant is qualified to sit for the examination upon compliance with items 1 and 2, and upon passing the examination, may apply to be registered as a GBI Facilitator. The Registration Form is on the next page.
