Penny Wong to speak at forum

KUALA LUMPUR: Australia's Climate Change and Water Minister Penny Wong will deliver a keynote speech at the Green Design Forum, organised by the Malaysian Institute of Architects (PAM) this weekend.

Malaysian-born Wong is among the foreign experts in the field participating in the forum at the Kuala Lumpur Convention Centre from 9am to 12.30pm on Saturday.

Her speech is titled "Moving To A Lower Carbon Future - Perspective From Australia".

Admission to the forum is free by application to PAM. However, seats are limited.
