

# Penang to reward developers who build green

*The Malaysian Insight News, 3 December 2018, Monday*

Local government exco Jagdeep Singh Deo (fourth from left) with Penang Island City Council mayor Yew Tung Seang (third from left) and local council officials and developers at the Green Buildings and GBI Certification Seminar today. Jagdeep says developers stood to gain by constructing GBI-rated buildings. – The Malaysian Insight pic, December 3, 2018.

THE Penang government will reward developers of green buildings, state local government exco Jagdeep Singh Deo said.

Developers with new buildings awarded the Green Building Index (GBI) gold or platinum rating before January 1, 2022, will receive a two-thirds rebate on the developmental charges they pay to local councils, he said.
