SPEAKER

AR. (DR.) SERINA HIJJAS

Ar. (Dr.) Serina Hijjas is the President of Malaysia Green Building Council, a senior practicing Architect and Director of Hijjas Kasturi Associates Sdn, an architectural practice based in Kuala Lumpur. Ar Serina graduated from Bartlett School of Architecture and University of Sydney followed by a three-year working stint with Foster & Partners. Ar Serina has been practicing for 20 years with an active interest in the area of Energy Efficiency and Sustainability and has received three Asean Energy Efficiency Awards for Telekom Malaysia Headquarters Building (2005), Securities Commission HQ (2003) and the Putrajaya International Convention Centre. Ar. Serina was on the first SIRIM Working Committee for MS 1525:2001, a founding member of the Green Building Index (GBI), and part of the GBI Accreditation panel. Ar. Serina lectures on Rethinking Sustainability and is a working member on the formation of the Township Green Building Index tool and reference guides for Malaysia.

AFZANIL MD ANUAR

Afzanil Md Anuar is the Deputy Director of the Green Technology Division of the Malaysian Investment Development Authority (MIDA). His roles are to promote, evaluate and advise on green technology investments from foreign and domestic. For the past 15 years of service in MIDA, Afzanil has experience serving in the Electrical and Electronics industry division from 2010 – 2017 and headed MIDA’s Osaka office from 2018-2022. Prior to MIDA, Afzanil also served in several foreign private and public organizations covering the electronics manufacturing and services sector. On the education side, he has a Masters Degree in Engineering Management from Universiti Kebangsaan Malaysia (UKM) and a Bachelors Degree in Industrial Automation & Robotics from the Malaysian France Institute (MFI).

AR. CHAN SEONG AUN

Ar Chan is a senior practicing Architect and Director of Arkitek Daya Seni Sdn Bhd, an architectural firm established in 1984. Ar Chan is the Immediate Past President of Malaysia Green Building Council (malaysiaGBC). He was a member of the SIRIM working committee that updated MS 1525:2001 to its latest 2007 version. He is the President of PAM and also PAM representative on the CIDB Working Committee that updated QLASSIC to CIS7, 2006 its 2006 version. He has represented PAM in various committees in KPTK, KTAK and SIRIM and he is also one of the members of MGBC. Ar Chan is the team leader for the GBI Residential Tool.

MITCH GELBER

Mitch Gelber has extensive experience in the fields of architectural design and sustainability. He holds a Bachelor of Arts in Urban Design from Columbia University in New York and a Masters of Architecture from the University of British Columbia in Vancouver, Canada. Prior to his appointment as CEO of the Malaysia Green Building Council (malaysiaGBC), Gelber served for more than 10 years on the Green Building Index (GBI) Technical Committee. He currently chairs malaysiaGBC’s Advancing Net Zero Task Force, edited the 2019 book Greening Malaysia: Building Towards Sustainability and has previously taught at the University of Malaya, School of Architecture. As principal of YIDesign Sdn Bhd, he consults on building and construction projects both within Malaysia and abroad. Originally from the United States, Gelber has been based in Malaysia since 2007.

LOGEN CHETTY

Logen Chetty serves as the Senior Manager overseeing Regional Technical Marketing and Business Development for ROCKWOOL Malaysia. In this role, he manages these functions across Malaysia, Indonesia, and the ANZ region. Logen holds a Master of Business Administration (MBA) from Universiti Utara Malaysia (UUM) and boasts over a decade of experience in mineral wool insulation. Leveraging his experience and expertise, he has adeptly offered solutions to various key stakeholders in both public and private sectors.
